

Prescription refill voice mail line

651-256-6796

Pediatric and Young Adult Medicine refill voice mail line is now available. You may now call and request your refills when it is convenient for you 24 hours a day, 7 days a week.

To use this service, we ask that you review the following procedures to ensure that we receive the proper notice and information to guarantee the prescription(s) for your child is ready when you need it.

1. **Please allow 72 hours for electronic transmission to your pharmacy, excluding Saturday, Sunday and Holidays.** If there is a problem with your child's present dosage, contact the refill line by calling **(651) 256-6796**.
2. Please provide all of the information that is required to process your request. We have provided you a template on the back of this sheet. We suggest that you write the information in the blanks that are provided so you will be able to read it over the phone.
3. You may request a refill 24 hours a day, seven days a week. Please remember we can only fill the prescriptions during regular business hours.
4. All voice mails will be listened to and processed daily during regular business hours.
5. **All ADD, ADHD, Anxiety and Depression patients who are on prescriptions are required to have a medication check-up every 6 months.** If you are a patient either starting a new prescription, restarting a prescription or have had a change in medication or dosage, you must be seen 3 or 4 weeks after you have started your new prescription. Failure to do this may cause your refill to be denied.

Thank you,
Pediatric and Young Adult Medicine
